

Riverside City College
Student Access and Support (SAS) Leadership Council
2019-2020 Membership

Strategic Responsibilities

- Develop, in conjunction with the Academic and Career Technical Programs Council, the college's Student Equity Plan
 - Develop, in conjunction with the Academic and Career Technical Programs Council, the college's Student Success Plan
 - Develop, in conjunction with the Academic and Career Technical Programs Council, the college's Matriculation Plan
 - Accept the Five-year Comprehensive Program Review Plans for each unit and prioritize the plans, including resource requests, that relate to student services/academic success. Amend the resource requests (staffing, technological, and facilities) in each college unit's yearly assessment that relates to student services/access and integrated academic support
-
- Develop an Integrated Action Plan each year
 - Assess each year student support services/access targets and goals and make recommendations for their improvement
 - Review the college's action plans related to student services/access and integrated academic support to ensure alignment to college goals and progress toward measurable targets
 - Assess current instructional services provided by the library and other learning support services and make recommendations for their improvement
 - Monitor and evaluate each unit's annual Assessment Report in the areas of student services/academic success
